DONATIONS FREELY ACCEPTED

The Minnesota Chapter of the American Viola Society is a tax-exempt organization. Donations to the society are tax-deductible to the full extent of the law.

The members of the board of directors are planning several events in the future including viola competitions, recitals by visiting artists, day-long viola retreats with master classes from artist-level musicians, and the commissioning of new works for viola.

We are also making plans for viola outreach in middle schools. All this requires funding. You can help make these programs possible through your most generous donation. Your name will be included in future MN Viola Society publications.

OUR NEW WEB MASTER SAYS . . .

Web-Master Rolf Krogstad says:

Do you store the address for the Viola Society website in the Internet Explorer Favorite list? If so, a change has been made to the website to display the MVS icon by its entry in your Favorites list. If the icon doesn't display in your Favorites list, just go to the website and then click on "Favorites", then click on "Add to Favorites". After restarting the browser the Viola Society logo, the sideways Alto Clef "M," should jump out at you from your list of favorites. This will also work on other browsers such as Mozilla Firefox.
