We always need help with planning events, staffing viola experience days for young people, helping at events, and getting the word out about all things "viola." Let us know who you are and we will find something for you to do:

DONATIONS FREELY ACCEPTED

The Minnesota Chapter of the American Viola Society is a tax-exempt organization. Donations to the society are tax-deductible to the full extent of the law. The members of the board of directors are planning several events in the future including viola competitions, recitals by visiting artists, day-long viola retreats with master classes from artist-level musicians, and the commissioning of new works for viola. We are also making plans for viola outreach in middle schools. All this requires funding. You can help make these programs possible through your most generous donation. Your name will be included in future MN Viola Society publications.

OUR WEB MASTER SAYS . . .

Our website (<http://www.minnesotaviolasociety.org>) has been up and running since December 2003, and in that time we have had thousands of visitors from countries across the world visit our site! The website is a great place to learn more about our organization. It is also a great place to communicate information about upcoming concerts and other events. If you would like to have something posted in our *Events* section of the website, please send an email to info@minnesotaviolasociety.org.

See you online!

FROM THE EDITOR

"This is a violin—the top string is "E" which stands for "ego."

Articles and photo submissions for Viola Notes may be sent to the editor, J. David Arnott, via snail mail at 702 Second Ave. North, Sauk Rapids, MN 56379, or via email at violaman@aol.com.

We try to publish at least two issues of *Viola Notes* each year.
